Yes, Sarah. They dropped out of the Group quite a while back. They were a Funding Member and had paid their buyout payment for the RI/FS.

Hi Karyllan,

One more question: did Alliance Chemical Inc/Pfister. drop out of the CPG? I recall someone (probably Gary Gengel) saying that all the CPG members were participating in RM 10.9, except Occidental, and one other which I thought was Bristol-Myers Squibb Company. But since Alliance/Pfister is gone from the caption, I take it they dropped out of the group as well. Just want to confirm my understanding.

Thank you for sending the original signature pages. I noticed one thing that I thought I should mention: the signature page (copy) that I had for Lucent Technologies was dated June 7, 2012, and the settling party name was written as "Lucent Technologies Inc. now known as Alcatel-Lucent USA Inc."

The new one is dated May 30, 2012 and the settling party is identified as "Alcatel-Lucent USA Inc."

This made me wonder if Lucent (or Alcatel-Lucent) sent the wrong original. It is not a big deal to me either way so just let me know which one I should use.

Sarah
